

FRITZMÜLLER

SEMINAR SERIES

August 12, 2013

8h30 - Welcome / Registration

9h00 - Paulo R. Guimarães Jr. (USP)

Opening remarks

9h10- Rodolfo Dirzo (Stanford University)

Biological extinctions and associated co-extinctions of ecological processes and services

9h50 - Mauro Galetti (Unesp Rio Claro)

Ecological and evolutionary consequences of defaunation

10h30 - Coffee break

11h00 - Pedro Jordano (Estación Biológica de Doñana)

The functional ecology of megadiversified interaction webs

11h40 - Jens M. Olesen (Aarhus Universitet)

Temporal dynamics of networks

12h20 - John N. Thompson (University of California Santa Cruz)

The assembly of coevolving interactions

WHERE

Anfiteatro Luiz Rachid Trabulsi, ICB III, Instituto de Ciências Biomédicas (ICB - USP)

REGISTRATION

fritzmuller.sp2013@gmail.com
